Detected Event

The screenshot displays the LEONARDO mobile application interface. At the top, the status bar shows the time as 5:03:34 pm on September 6, 2023, and the user as Operatore1-SO. The main header includes navigation options: 'Eventi Postazioni' (5 Gestiti, 1 Assegnati), 'Stato Coda Eventi' (0, 0, 0, 1), and 'Eventi In Gestione'. A search bar is visible above the map.

The map shows a city area with various streets and landmarks. A red box highlights a specific location on the map, which is detailed in an 'Incidente Stradale In' (Road Incident) pop-up window. The pop-up window contains the following information:

- INFO**
- Stato:** ACCODATO
- Indirizzo:** (Location on map)
- Data:** 16:37:11 - 6 Sep 2023 (26 minuti fa)
- Persone Coinvolte:** 0
- Generato:** (Generated by system)

On the left side of the map, there is a menu titled 'SUGGERIMENTI PER INCIDENTE STRADALE' (Suggestions for Road Incident) with the following options:

- Prendi in carico evento
- Visualizza lo stato del traffico
- Visualizza i dati degli inquinanti
- Mostra Layer delle Paline
- Visualizza le telecamere in vicinanza
- Allertare i Vigili Urbani
- Allertare Gestore del TPU

Input Event – associated picture

The screenshot displays the LEONARDO mobile application interface. At the top, the status bar shows the time as 5:04:59 pm on 6 settembre 2023, and the user is logged in as Operatore1-SO. The main header includes navigation options: 'Eventi Postazioni' (5 Gestiti, 1 Assegnati), 'Stato Coda Eventi' (0, 0, 0, 1), and 'Eventi In Gestione'. A search bar contains the text 'INCIDENTE STR...'. The central part of the screen shows a map with a red location pin and a photo of a car accident. The photo shows a red car overturned on its side on a city street, with a white van and a white car nearby. A sign in the foreground reads 'SOSTA VIETATA'. A sidebar menu on the left lists 'SUGGERIMENTI PER INCIDENTE STRADALE' with options like 'Prendi in carico evento', 'Visualizza lo stato del traffico', and 'Visualizza i dati degli inquinanti'. A 'FASCICOLI' panel is visible on the right. The bottom navigation bar includes icons for home, search, and other functions.

Event Management – Electronic event sheet

The screenshot displays the LEONARDO event management interface. At the top, the user is logged in as 'Operatore1-SO' at 5:14:08 pm on September 6, 2023. The interface includes a search bar, a status bar with '0' red, '0' orange, '0' green, and '1' blue indicators, and a 'RICERCA' (Search) button. The main map shows a street network in Palermo with a red circle highlighting an incident location near Via Trieste. A 'SUGGERIMENTI PER INCIDENTE STRADALE' (Suggestions for Road Incident) menu is open, listing actions such as 'Prendi in carico evento', 'Visualizza lo stato del traffico', and 'Allertare i Vigili Urbani'. On the left, a 'Viabilità Incidente Stradale, Palermo - Viabilità - Incidente Stra...' section shows a timeline of actions from 14:37:11 to 14:37:12. On the right, a 'DATI RICHIESTA' (Request Data) panel shows classification levels and priority settings.
